

Tuition Assistance Overview **New TMA Families: 2024 – 2025**

Dear Parents,

We believe the primary responsibility for financing a student's independent school education rests with the family. However, we also recognize the need to provide assistance to retain a broad spectrum of students in concert with The Montessori Academy's mission. Tuition Assistance is awarded by the academic year. Parents must apply for Tuition Assistance each year to be considered. Please be advised that you may not receive the same Award amount each year. Your financial information is confidential and guarded closely.

- The Toddler program does not qualify for Tuition Assistance.
- Auxiliary fees are not part of a Tuition Assistance Award.

Please note the following important information:

- New families may apply for aid after their child is accepted at The Montessori Academy Edison Lakes (TMA).
- The Montessori Academy Edison Lakes uses FACTS Grant & Aid to process applications.
- The FACTS Grant & Aid application is completed on-line and has an annual fee of \$40.00 per family payable to FACTS Grant & Aid on their website at the end of the session.
 - Families applying for Tuition Assistance must turn in the enrollment contract, Family Information form, Tuition Assistance contract amendment and a \$250/child tuition deposit to TMA before applying on-line with FACTS Grant & Aid.
 - After completing the online application, you will be required to upload your 2023 tax returns for both state and federal taxes with all schedules, 1099's and W-2's to FACTS Grant & Aid. Also, please provide supporting documentation for Social Security Income, Welfare, Child Support, Food Stamps, Workers' Compensation, and TANF. These are required for verification of the information submitted to FACTS Grant & Aid. Please upload pdf forms (include applicant ID).
 - You may apply for more than one student on the same FACTS Grant & Aid application. *Siblings not currently enrolled at TMA must have an application on file at the school with the Admissions office.*
- Divorced or separated parents must each file a separate on-line Tuition Assistance application.
 - Applicants should provide all necessary information as to each parent's legal obligation to pay tuition.
 - Tuition Assistance Awards are proportioned per each parent's demonstrated need and each parent's financial obligation for tuition.
- Regardless of primary custody, FACTS Grant & Aid on-line applications are required for **all adults contributing financially** & living in the household of the child.
- Awards are made annually based on financial need, enrollment needs of TMA, parent volunteer commitment and maintenance of a population consistent with our mission.

Time Line:

- New families may apply for tuition assistance when their child has been accepted to TMA and offered an enrollment contract.
- The enrollment contract, family information form, tuition assistance contract amendment and \$250 deposit is required within 10 business days of being accepted to TMA.
 - TMA will allow withdrawal from the contract agreement if the Award is deemed insufficient & verified by the FACTS Grant & Aid recommended family contribution amount. In addition, the family must notify the Director of Finance regarding the withdrawal request, in writing, within 10 business days of receiving the Award.

Awards for new enrolling families are made by TMA within 2-4 weeks of the completion of the tuition assistance application. If additional funds are available after this time period, TMA will continue to offer assistance awards to applicants. Acceptance of the Award agreement must be returned within 10 business days of receiving the Award letter. Any Award not accepted by this date will be returned to the financial aid pool and the Offer will be null & void.

FACTS Grant & Aid

On-line application process

Overview:

The Montessori Academy uses FACTS Grant & Aid to process applications. FACTS Grant & Aid will be the standard submission format for all applications.

FACTS Grant & Aid does not decide whether Tuition Assistance will be given or how much to give; rather FACTS Grant & Aid provides a need-based Tuition Assistance analysis service which includes a recommendation of what a family should reasonably contribute toward tuition. All information from FACTS Grant & Aid is kept confidential.

Results are reviewed by the Financial Aid Committee which makes recommendations based on next year's budget. Upon approval by the Committee, Tuition Assistance Offers are then sent to families.

Instructions:

To start the process, please log onto the FACTS Grant & Aid site at:

<https://online.factsmgt.com/signin/4DT7V>

- As a reminder, you must reapply each year.
- The application process is self-guided. You may navigate in and out of the program allowing you to partially complete an application and go back to it at another time. Online e-mail and a 24/7 helpline is provided. Please do not call the school with questions.
- After completing the online application, you will be required to upload your 2023 tax returns for both state and federal taxes with all schedules, 1099's and W-2's to FACTS Grant & Aid. Also, please provide supporting documentation for Social Security Income, Welfare, Child Support, Food Stamps, Workers' Compensation, and TANF. These are required for verification of the information submitted to FACTS Grant & Aid. Please upload pdf forms, with a size less than 20 MB (include applicant ID). Please do NOT use your mobile device to photo copy required documentation due to problems with legibility.
- New Families should complete the online applications and submit all tax information to FACTS Grant & Aid as soon as possible to be considered for the tuition assistance program.
- Applications with incomplete information cannot be processed by FACTS, and will not be considered by the Tuition Assistance Committee until complete information is submitted.
- Submitting false or deliberately misleading information is grounds for immediate revocation of any Tuition Assistance Offers, Awards, and agreements; and will result in a **permanent** ban on applying for any future Tuition Assistance.
