

FIBER ARTS

SOCIAL CLUB

Fiber? Like Raisin Bran? Nooo! Fiber as in yarn, thread and cloth. No experience necessary! We'll learn and practice the basics of knitting and sewing and perhaps some more advanced things too, like embroidery, crochet and weaving. You can choose to start a big project or a small one. We'll have everything you need to start.

Just bring yourself and maybe convince some friends to try something new so that we can create a fun community as well!
